Request for AGO Card for Thomas L. WORTH.

REF: MEL-A-4675

1. Like CV C, V-3597 is now finding it necessary to go to Vienna in order to make contacts leading to border-crossings into the CSR.

2. The reasons for providing an AGO card for this purpose and the security conditions governing the handling of the card are the same as those set forth in MEL-A-6286. In providing a card for V-3597, we have the additional security that he speaks fairly good English.

3. V-3597 is also providing us (outside ZIPPER channels) with a PRQ.
